THE CARDIOLOGY SYMPOSIUM
 Cardiac Care provides approved managers

Registration is LIVE!

Join CVCA Cardiac Care for Pets, www.cvcavets.com, for a virtual Texas-focused Cardiology Symposium on Sunday, May 16th!

Earn up to 6 hours of **FREE RACE**-approved continuing education for veterinarians, practice managers and technicians.

CVCA's board-certified veterinary cardiologists will discuss cardiology and special guest speaker, Jan Woods, will be discussing Controlled Substances 101: How & Why You Must Comply Texas Controlled Substance Regulations Explained.

The virtual event uses Wivova, available on both mobile and desktop, and is free to download for Apple and Android. Use the Wivova app to access exhibitor booths, the passport contest, the community board for networking opportunities, a photo caption contest, and the chance to earn a prize for the top three leaderboard participants!

- ☐ Feline Cardiomyopathy - 20-753279

**THE
CARDIOLOGY
SYMPOSIUM**
BY CVCA CARDIAC CARE FOR PETS

CVCA Cardiac Care for Pets
134 Fort Evans Rd NE • Leesburg, VA 20176
RACE PROVIDER: 50-27685

The Cardiology Symposium is approved by AAVSB RACE for CVCA Cardiac Care for Pets cardiology lectures and is worth up to a total of 4.00 CE Credits. Each lecture has its own RACE approval number with each lecture worth 1.00 CE Credits (1.00 max) for veterinarians, technicians, and practice managers. The Cardiology Symposium does not have a one-day program approval number. The RACE approval is for the subject matter category(s) of: Category One: Scientific using the delivery method(s) of: Seminar/Lecture. This approval is valid in jurisdictions that recognize AAVSB RACE; however, participants are responsible for ascertaining each board's CE requirements. Website: www.aavsb.org/RACE/Search

Registration is LIVE!

Join CVCA Cardiac Care for Pets and Bush Veterinary Neurology Services for the 4th annual The Specialty Symposium (formerly the Cardiology & Neurology Symposium) on Sunday, October 18th and Sunday, October 25th, now a virtual event due to COVID-19.

We will provide multiple tracks of RACE-approved continuing education, **over 24 hours of FREE CE**, for veterinarians, technicians and practice managers from a variety of presentations from board-certified specialists in **cardiology, dentistry, neurology, oncology, rehab, surgery and more!**

The schedule and lectures will be posted on August 1st, 2020 to plan out the lectures you want to attend! You can register for both days or just one. You can even access the lectures on-demand after the event until December 31st, 2020. If the event is virtual, there will be no wait lists!

Attend from the comfort of your own home! Secure your spot on our website for up-to-the-minute information such as the latest exhibitor and sponsor details, updates and more!

ATTENDEE TESTIMONIALS

"I love virtual CE. I am doing MORE because I can actually find CE on topics I'm interested in (like dentistry) that don't cost me a ton of money or require me to take time off to travel."

"5-star event, and great communication with the lecturers and organizers!"

"Awesome conference! Love the ability to access so much great training! Some of the courses were totally in synch with what I'm learning in my first year of vet school. That was a great review and a great extension of knowledge beyond what I've already learned."

"Many thanks to The Specialty Symposium, and the sponsors, and the speakers! Frankly, I loved the Whova application!"

Lunch & Learns

Onsite Education Opportunities

What is involved in a Lunch & Learn?

- CVCA comes to you with lunch
- One (1) Lunch & Learn, per clinic, per year—due to a high number of requests
- Up to 15 attendees
 - Attendees are veterinary professionals that require CE credits—doctors, technicians and practice managers
- All attendees receive a certificate of completion

Time Management Goals

- We are as efficient as possible by starting and ending on time
 - enabling both the clinic and CVCA to stay on track with clients' appointments later in the day

Travel Distance

- Up to 45 minutes from a CVCA location

CE Verification Assistance, Upon Arrival

- Sign-in sheet: attendees are required to sign-in on a sheet provided by CVCA
- Name, position, email are required to send a certificate of completion
- Certificate of completion includes CE credits and program title, and will be emailed after the Lunch & Learn

Primary Care Veterinarian Topics

1.0 CE Credit Hour (50-minute lecture with 10 minutes Q & A)

- Blood Pressure and Systemic Hypertension
- Cardiac Biomarkers
- Clinical Utility of NT-proBNP
- Co-Managed Care of Congestive Heart Failure
- Congestive Heart Failure in Small Animal Practice
- Degenerative Mitral Valve Disease: The old, the new, and the Epic
- Dilated Cardiomyopathy
- Feline Myocardial Disease
- Management of Mitral Valve Disease
- Minding Your P's & Q's: Understanding Your ECGs (NEW)
- Pericardial Disease
- Practical Approach to Arrhythmias
- Pulmonary Hypertension in Canine Patients
- Syncope

Veterinary Technician Topics

1.0 CE Credit Hour (50-minute lecture with 10 minutes Q & A)

- Blood Pressure and Systemic Hypertension
- Co-Managed Care of Congestive Heart Failure
- Minding Your P's & Q's: Understanding Your ECGs (NEW)
- Practical Approach to Arrhythmias

DIGITAL SOCIAL MEDIA

YOUR pet COULD BE a SOCIAL media star!

Share your pet's photo with us for a chance to be featured on CVCA's social media! Three easy steps:

1. Ask a CVCA staff member for a social media submission form.
2. Fill out and return the form.
3. Email our office a photo of your pet!

If you have had a great experience with us, don't forget to share your story on **Facebook, Instagram, Google or Yelp!**

Find us **@cvcavets** on social media!

Independently owned and operated • Leading choice of board-certified veterinary cardiology since 1987 • 14 locations in 4 states
